A contract for the purchase of pork between Jubilee Biodynamic Farm Inc. (hereafter JBFI) and:

(Purchaser—print name) _____ Date: _____

JBFI agrees to sell half of a pig, or one whole pig (Choose one and write on line below)

to the purchaser named above. The pork is sold “on the hoof,” and is being sold as a living animal. At the purchaser’s request, the animal will be maintained by JBFI until time of harvest. JBFI will also, at the purchaser’s request, select a professional, licensed butcher to kill and cut/wrap the pork.

The cost for the cut/wrap and kill will be paid by the purchaser directly to the butcher. The cost of pork (Whole, or Half) is \$5.00/pound, based on the “hanging weight” taken at the cut/wrap facility, and will be paid by the purchaser directly to JBFI. Kill fees, along with fees for cutting and wrapping the pork, will be paid by the purchaser directly to the butcher.

Attached to this contract is a check to JBFI for \$100 as a non-refundable deposit. Should the buyer default on this agreement, the deposit will not be refunded, although it will be credited to another buyer if the purchaser who signs this agreement makes that arrangement with another buyer.

Should JBFI not be able to deliver this order, the full deposit will be refunded by December 31th, 2018. In this situation, JBFI will be limited in responsibility to refunding money paid.
